ABOUT IR

Investor Relations

We strategically position your corporate story to inspire investor confidence and drive long-term value.

Our Investor Relations practice focuses on building a compelling investment thesis, securing research coverage, expanding the investor base, and managing market perceptions with precision.

Through targeted messaging, reputation management and effective communication strategies, we craft narratives that resonate with investors, enhance credibility and create sustainable value. Whether shaping the investment idea or marketing it to the right audience, we ensure your business stands out as a high-value opportunity in a competitive market.

Our clients are spread across 20+ sectors and have a cumulative market cap of ~USD 100 billion, demonstrating our extensive reach.

Dr. NAMRATA RUPANI

CEO, Brand & Design Practice

Dr. Namrata Rupani is an accomplished dentist and commercial photographer. Four years ago, she set up an integrated company, Capture Life, which includes all her three business verticals: the dental clinic, photography service, and a fine art prints service. Her work includes photography, videos, 100+ coffee table albums, legacy books & flash books. Her work has been displayed at various exhibitions, including being commissioned by L&T to document the making of the Metro Rail in India, having exhibited on for FICCI on International Ladies Day, and more recently a Solo Photography exhibition by the Goethe Zentrum, Hyderabad, which was titled “Stories in Stone” – a depiction of old architecture from all over India. She ventured into the Fine Art Print business as well under the same name to make fine art prints and provide design and print solutions for various clients from all over India. Namrata as a speaker at TEDx Nalsar University in 2016 shared her views about just how far photography can travel from going beyond a passion to being able to connect with hundreds of people through a powerful form of art and expression.
